

# Gan Chaya Preschool

## Extra-Curricular for 2020-21

### Music & Movement

Develop children's innate musical abilities with tunes and instruments that inspire them to sing and dance and improve your child's dynamics, tempo, beat, and rhythm.

### Little Chefs

Explore the Culinary Arts with fun-filled food science with tasty results! Children will learn healthy eating habits, build self confidence, and advance their math skills when measuring the ingredients.

### Shabbat Party

Each Friday a special atmosphere is created to celebrate the arrival of Shabbat. Shabbat songs will be sung and popular Shabbat customs will be acted out.

### Martial Arts

At Martial arts, your child will learn self-discipline, socialization skills, respect, and teamwork. They will also improve their balance and posture and good decision making skills.

### Science

Explore the fascinating wonders of our physical world with engaging and interactive experiments! Hands-on exploration of specific science topics through fun experiments that are both engaging and interactive.

### Photography

Children will learn the basics of photography and will be able to explore and record their passions in a number of different environments. All images will be compiled into a beautiful photo book at the end of the course.

**\*\*Stay tuned for more visitors and entertainment coming to Gan Chaya! Above is a partial listing and subject to change (for the better) depending on age and time of year. We welcome your feedback and look forward to an exciting year with your children!!!**

### Mystery Reader

Once a month a parent will come read to the children with a craft or an activity that goes with the book. They are a "mystery" because the children do not know who is coming, it is a surprise!

### Gardening

An extended sensory experience as children discover the beauty and intricacies of the great outdoors! Lead by a Horticulturist and dedicated teachers, the children are sure to reap the benefits of their efforts.
